Miss P. Shirley.

A Chara,

I beg to acknowledge receipt of your letter of the 5th. inst. enclosing 9d in stamps to cover cost of booklets forwarded to you on February 25th. for which I wish to thank you.

I shall be only too glad to speak to any Branches of the League of Youth on the subject of Ireland and I would be very grateful indeed if you placed the name of our Organisation before your London Committee. I might mention that we have a panel of very able and expert speakers, any of whom would deliver an address to a League of Youth Branch on a few days notice.

Thanking you again,

Is mise le meas,

Hon. Assistant Secretary of the
Anti-Partition of Ireland League.
